

HARRISON TEACHERS' FEDERAL CREDIT UNION

JUNE NEWSLETTER

We have moved our offices from the basement at the back of the Berlanti building to the upper floor at the front of the building. The move was accomplished with no interruption of service to our members. Our drop off mail box is still located at the rear of the building, under the awning.

Reminder: We are open all summer and you can gain access to your money at any time. Simply contact us by email (membersonlyhtfcu@gmail.com), by phone (914-777-2935), by fax (914-777-3915). When making a withdrawal please include your name, address, phone number, account number and the amount you wish to withdraw.

The state of our finances is good. We have operated in the positive for over a year and have had several positive audits with the auditors of the National Credit Union Association.

The **\$2,500 special loan sale** has been extended through **9/30/21**, at a rate of **4%**, payable within one year. The **\$5,000 loan sale** is still available at a rate of **4.99%**, also payable within one year.

Please note: All ten-month employees who have loans are responsible to make monthly payments over the summer months. Payment coupons have been sent to those loan holders.

Please send your personal email address to Lori.Prestwood@gmail.com if you have not already done so. We need to update our files and it will enable us to contact you with important announcements, closings, etc.
